Let One Source Event Production's expert creative design team add a touch of couture to the wedding of your dreams. Our design team has experience spanning from London to Las Vegas, specializing in custom design and room transformations. Make your wedding stand out with one-of-a-kind floral and room design. Whether it is our white leather lounge furniture, our chivari ballroom chairs, or a custom created piece, your wedding will be like none other. At One Source Event Productions we have formally trained florists specializing in European High Style Floral Design and have the capability yo create magic with any event that comes our way. We will work side by side with you throughout the entire process and give you an unprecedented personal service.

With all of this what will your guest's reaction be? Awe and wonderment. Let us help create this magical day that will last a lifetime in memories.
